DETAILED ACTION

This action is in response to applicant's amendment received on 11/10/05.

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this

Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claim 9 is rejected under 35 U.S.C. 102(b) as being anticipated by Halverson (D275534). Halverson discloses a wall rack with a horizontal bracket secured to a surface and having a plurality of contour recesses and a corresponding plurality of receptacles centrally located within each recess and defined by raised ridges surrounding a centering hole (Fig. 1). The rack could have multiple doll stands with shaped bases and downwardly protruding centering pegs secured thereto.

Allowable Subject Matter

3. Claims 1-8 are allowed.

Response to Arguments

4. Applicant's arguments see pages 7-9, filed 11/10/05, with respect to claims 1-8 have been fully considered and are persuasive. The rejection of 8/10/05 has been withdrawn.

5. Applicant's arguments with respect to claim 9 have been considered but are moot in view of the new ground(s) of rejection. Applicant's amendment

Art Unit: 3711

necessitated the new ground(s) of rejection presented in this Office action.

Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
